AASLD Masterclass 2021 for Early Career Investigators

"The **2021 AASLD/EASL Masterclass**, provides a unique educational collaboration of clinical, basic, and translational scientists from leading academic medical institutions from both sides of the Atlantic. Participants will attend a two-day intensive training session designed for future leaders in academic hepatology. The program will consist of academic lectures, interactive break-out sessions, individual meetings with tutors, abstract presentations and a poster session, and social events to give early-stage investigators (MD, PhD, or MD/PhD, or equivalent) the opportunity to network with world leaders in hepatology. This year's program is hosted by AASLD and will be held in the U.S.A." **Friday, December 10, 2021 - 8:00 am - Sunday, December 12, 2021 - 1:00 pm**
