Liver Development, Metabolism, Disease & Cancer Conference - CSH Asia

The Cold Spring Harbor Asia conference on Liver Development, Metabolism, Disease & Cancer will be held in Suzhou, China, and through stream (info TBD). The conference will include eight oral sessions and one poster session covering the latest findings across many topics in the study of Liver and metabolism. Many talks will be selected from the openly submitted abstracts on the basis of scientific merit and relevance. Social events throughout the conference provide ample opportunity for informal interactions.

Conference will be held virtually and in-person in Suzhou, China on Dec 6 - Dec 10. Abstract Deadline is this Friday, Nov 5.

AASLD Masterclass 2021 for Early Career Investigators

"The **2021 AASLD/EASL Masterclass**, provides a unique educational collaboration of clinical, basic, and translational scientists from leading academic medical institutions from both sides of the Atlantic. Participants will attend a two-day intensive training session designed for future leaders in academic hepatology. The program will consist of academic lectures, interactive break-out sessions, individual meetings with tutors, abstract presentations and a poster session, and social events to give early-stage investigators (MD, PhD, or MD/PhD, or equivalent) the opportunity to network with world leaders in hepatology. This year's program is hosted by AASLD and will be held in the U.S.A." **Friday, December 10, 2021 - 8:00 am - Sunday, December 12, 2021 - 1:00 pm**
